Dearly Beloved!

First, I'd like to thank our great team at Champaign First UMC. I was on vacation for two weeks and was able to relax and release worries about the church because we have a fantastic staff! Also, I was confident that worship would be well-led by our two guest preachers: Gene Larson and Meredith Garreau for whom I am grateful. Finally, Steve Burgener covered pastoral care; I knew you were in great hands. THANK YOU to all of these leaders!

I love road trips. We traveled to the Outer Banks of North Carolina to visit Frank's sister. I fell in love with this area of the country! We also traveled to northern Michigan to visit my friend, Beth, and her wife, Monique. We visited all our kids, too. It was great to eat, laugh and sight-see with people we love. Frank and I listened to two great books: *Tomorrow and Tomorrow and Tomorrow* by Gabrielle Zevin and *Project Hail Mary* by Andy Weir. We talked about our past, our present, and our future, reminiscing and dreaming in equal measure.

But, there were also some "not great" parts! On the way out east, we didn't realize we'd missed a turn, so we wandered through Virginia for an extra two hours. On the way back, in the dark and rain, we ended up on a windy, mountain road that was determined to throw us into a ditch. The weather was awful. It was cold and windy on the beach and it snowed in Michigan.

And still it was a wonderful trip.

It was wonderful because of the connections we made and the joy we had in sharing time with loved ones.

That's our story as a church, too! There is joy in the journey of life because we have each other! In I John 4:7 we read this: *Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God.* At the end of the day, it is our loving connections to others that carries us along.

Here are some things I am looking forward to at church:

- On April 30 I am excited to watch our children lead worship as they present their musical, *It's Cool in the Furnace*.
- Stephen Ministry training is beginning on May 4. It is important training in caring for one another well. If you would like more information, please come to the first session (no obligation to continue), have dinner and hear about this important work! Please let us know if you will be coming so we have enough food!!
- Major Music on May 7

And that's just the next 10 days! It is wonderful to be part of a church family that is always looking for ways to serve, celebrate and love!

I was happy to leave Illinois for a while and I am happy to be back home! I am looking forward to our future together...wherever the road takes us!

Love First!

GREEN TEAM NOTES

Questions about Plastics: How can I tell if it can be recycled!

Look for the triangle below, which should have one of seven numbers. No triangle or a triangle with a line across it generally means the plastic item cannot be recycled. What do the numbers mean??

1: Water and beverage bottles, cooking oil containers, peanut butter jars, other food containers. **Recycled** into fleece, fiber, furniture, carpet, new containers, etc.

2: Milk jugs, shampoo bottles, motor oil bottles, bottle caps, cleaning product containers, detergent bottles. **Recycled** into detergent bottles, pens, recycling containers, floor tile, fences, yard items.

3: Plastic pipes, outdoor furniture, shower curtains, bottles. **Recycled** into decks, paneling, flooring, speed bumps, etc.

4: Grocery and newspaper bags, sandwich bags, dry cleaning and shopping bags, bread loaf bags, produce bags. **Recycled** into trash can liners and cans, shipping envelopes, etc.

5: Food containers for yogurt, sour cream, margarine; straws, rope, carpet, and bottle caps. **Recycled** into battery cables, brooms, brushes, bicycle racks, rakes, etc.

6: Styrofoam products for coffee cups, packing peanuts, to-go food containers. **Recycled** into insulation, egg cartons, light switch plates, vents, carry-out containers, etc.

7: Food containers and Tupperware, 3- and 5-gallon water bottles, 'bullet proof' materials, DVD cases, etc. **Recycled** into plastic lumber and custom-made products.

*From: City of Champaign Public Works Department

The FUMC blue container for recycling plastic objects (rinsed clean from food, etc.) is found in Friendship Center north, just outside the kitchen area.

Most plastic utensils cannot be recycled, unless they are marked as being compostable or with a recycling triangle. While many (most) plastic items are recyclable, current rates of plastic items being turned into new objects is about 5%; well below the world standard of 30% (NPR, October 24, 2022). We are grateful for any and all efforts to reduce plastic use and increase plastic recycling, as anyone and everyone can make a difference.

If you have any questions or suggestions, please contact Sharon in the church office or Sandy Burgener at: sandsburgener@gmail.com.

Church Women United to Honor Catalina Gonzalez

United Women in Faith has nominated Catalina Gonzalez as our Outstanding Young Church Woman of the Year. Catalina will be honored at the celebration of May Friendship Day on Friday, May 5. The event, hosted by CWU, will be held at Bethel AME Church (401 E Park St, C.). Refreshments and fellowship will begin at 6:30 p.m., with the program to follow at 7:00 p.m. We encourage all women of the church to join us on May 5 to show our support for Catalina.

If you've attended Sunday morning worship services, you've probably already met Catalina. Her gift of hospitality shines through as she welcomes us to Coffee Hour. Next to her, you've also met her husband Toby Woods and their adorable daughter Sara.

Catalina Gonzalez is a native of Columbia, South America. She attended Texas A & M University, where she earned a Master's Degree in Biotechnology. She received her U.S. citizenship a year ago.

Catalina possesses a joy and love that she radiates wherever she goes—in her neighborhood, her work place and our church. When she first came to our community, she worked in our church's Child Care Center. She is now employed as a receptionist—and sometimes interpreter—at the Frances Nelson Health Center, which serves the underprivileged in our area. Her faith and her love of children have led her to service with our church's ministry for children.

Catalina is truly an Outstanding Young Church Woman. Come to May Friendship Day if you are able, and by all means, congratulate Catalina the next time she welcomes you to Coffee Hour.
